Dear _____:

In the past we have been very lenient regarding the payment of past due accounts. For the past year or two we have made direct appeal to our patients whose accounts were long past due .

We find it necessary at this time to turn the remainder of the past due accounts over to the First Security Bank Collection Department.

Our records show that your account is past due in the amount of _____. Further, we show that no payment has been made on the account since _____.

In order to avoid damaging your credit rating you may make arrangements with our office in the next 15 days to pay this bill.

Sincerely yours,
